

ENI Africa

Specializing in Reservoir Fluids for 35 years

Leading provider of PVT simulation services to the oil and gas industry

International experts in EoS modeling

A leading PVT simulation software

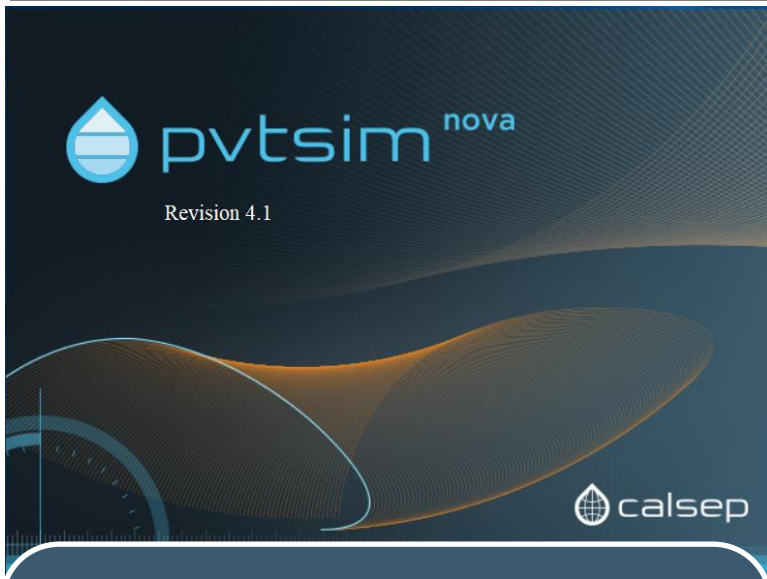

Develop your own PVT modeling skills

International representation

Copenhagen | Houston | Dubai | Kuala Lumpur

PVTsim is established as a standard for PVT simulations in petroleum industry. Used by 300+ oil and engineering companies worldwide.

Fluid Characterization

Automated EoS Modeling

Fluid Communication

Handling of Produced Water

Gas hydrates, Wax, Asphaltenes

Interface to 30+ external software products

- Calsep visited Eni in Africa 2018-2019 and presented PVTsim
- PVTsim has for many years have been used by Eni in Milan and lately also by ENI UK, Egypt and Kazakhstan
- Calsep Eni contacts in Africa
 - Azure Energy Angola S.p.A
 - Eni Ghana
 - Nigeria Agip Company
- We reached contract stage, but no contract signed
- Contacts in Africa died out during corona pandemic

- To get help reestablish the contact to Eni in Africa.
- To understand the potential for Calsep software with Eni in Africa
- Quote from Eni engineer in Ghana: “*PVT simulation work is carried out by our experts in Milan and they use PVTsim*”
- Are the Eni offices in Africa using other PVT software or is all their PVT simulation work carried out in Milan?
- Local contact persons would help.

Date	Topic	Local Contact(s)	Comment
June 28, 2022	Test license PVTsim	Tasso Andrea	
August 31, 2022	Request for registration documentation	Marisa Kisela, Paolo Giovannini	Calsep suggested to go through Sio Perugia
March 3, 2023	Form of Agreement (Contract 5000023444)		
	Signed Appendix D-SOW – Provision PVTsim		
September 13, 2023	Quotation; Admin, Technical and Economic Section		

Date	Topic	Local Contact
May 2016	To Whom It May Concern Letter	Sérgio Ferreira
	Audit Copies 2013-2015	
	Certificate of registration	
	Shareholder structure	
	Vendor checklist	

Date	Topic	Local Contact
March 5 2019	Jawad Azeem paid visit	Chidiebere Achounye
April 28, 2019	Purchase request letter	
April 29, 2019	Signed Corporate Affairs Commission (CAC1.1) Form	
April 29, 2019	Eni Qualification System General Data Questionnaire	
April 30, 2019	Signed Compliance Form on Calsep Letterhead	

- Does Milan office perform EoS modeling work for Eni Africa region
- Will Milan office make decision and purchase PVTsim or is the regional offices that buy software, possibly on the recommendation from the Milan office
- Contact persons with Eni Africa
